BARN QUILT TRAIL GUIDE OF NORTHWEST
AND NORTH CENTRAL OKLAHOMA**

INTRODUCTION

The Red Carpet Country's Quilt Trails (RCCQT) project was launched in the fall of 2020. Like similar projects across the country, the RCCQT is connecting our community by promoting its quilting, storytelling, and rural heritage using colorful blocks installed on barns and buildings. Each quilt block pattern and location are tied to a unique story. Stories can be found at www.redcarpetcountry.com/quilttrail

The Red Carpet Country Quilt Trail currently has 220 blocks throughout northwest and north central Oklahoma.

Share the adventure of locating colorful quilt blocks and uncovering tales on the trails throughout our area.

Plan your trip to learn more about the historic Quilt Trail in the area.

As you travel along the Barn Quilt Trail remember to be respectful of private property. Do not enter private property without permission.

RED CARPET COUNTRY BARN QUILT MAP

Red Carpet
Country.COM

The Red Carpet Country Barn Quilt Trail Brochure highlights many of the rural communities in Northwest and North Central Oklahoma.

This brochure offers you a self-guided tour of 232 barn quilts in our region. As you trail along our trail, take time to stop by the shops, restaurants, museums, and area attractions.

Through the leadership of the Oklahoma Cooperative Extension Service, the Oklahoma barn quilts began in 2017. Barn Quilts are fairly new to Oklahoma, but the history of Barn Quilts can be traced back almost 300 years. Many barn quilts began as a way to honor a loved one with a gorgeous piece of folk art. Each barn quilt is unique and personalized.

As you trail along our barn quilt trail, remember to respect private property. Do not enter private property without permission.

ENTER THE GRANDEUR – MARLAND ESTATES

Palaces On The Prairie - Ponca City

Two Estates – One Extraordinary Legacy – E.W. Marland

Ernest Whitworth Marland came to Ponca City in 1908 for oil. Within a dozen years, he had amassed a \$100 million fortune, and controlled ten percent of the world's oil reserves. His Grand Home and spectacular Mansion are a legacy to his story of power and position, triumph and tragedy, drama and dreams, aristocracy and the untamed west.
